**Re:** Annual Thanksgiving Pie and Apple Cider Sale

**Philadelphia, PA** Saul High School of Agricultural Sciences will hold their twelfth year of selling **fresh baked and frozen pies, and local apple cider!** These pies sold out in past years and had many people asking for them throughout the year. These are the same pies which are found at farm markets and bakeries throughout Pennsylvania selling for up to \$18.00 each! Pies will be sold at Saul on **November 20-21**, and also at our Holiday Fruit Sale on **December 13-21**. These pies are all natural and sweetened with their own fruit juices. We are featuring them for **\$9.50 frozen and \$10.50 baked**. They only take 45 minutes to bake and store in your freezer for months. Our prices have remained the same!

We will also feature our **Lancaster, PA fresh pressed apple cider** which does not contain any preservatives. It has a shelf life in your refrigerator of up to 14 days, unless someone finishes it first! There isn't any better than this!! We have Gallons, Half Gallons, and Quarts to meet your needs.
