

Hello, New Saul Families!

Just a few quick reminders as we head into Orientation this week. Please see below for "hot items" you will want to get ahead of.

Orientation: We are looking forward to seeing you at Orientation this week. The Zoom information is below. Just a friendly reminder to mute your microphones during Orientation so we can all hear the information being relayed. There will be a Q&A section where you will be able to unmute and ask questions. This meeting will be recorded and sent out after the event.

Topic: New Family Orientation

Time: Aug 27, 2020 04:00 PM Eastern Time (US and Canada)

Chromebooks: If you haven't already done so, please arrange to [pick up a Chromebook for your child](#) at one of the 3 locations around the city. The link above takes you to the District website and all of the information pertaining to Chromebooks.

Student IDs and Passwords: We are trying to assist students with logging in ahead of the first day of school. First, it is vital that your student knows their ID number. Second, every student has a password so that they can log into their student portal. Students who came from a District school will already have an account and may need to reset their password if they forgot it. Students need to make sure that they are able to log into the school district portal and google classroom before the first day. If they are unable to do so, they should change their passwords using their security questions under the 'forgot password' link. For continuing issues contact the IT help desk at 215-400-5555 or by emailing Mrs. Anger at tamaasanger@philasd.org.

New to District Students Only: New students coming from outside the District will need to obtain their password in order to log on for the first time. If you need your Student ID # and/or password, please email Assistant Principal Tuffs: gtuffs@philasd.org.

We are looking forward to seeing you soon!!

All the best,

Ms. Dunn
